Examination and Assessment Regulations

SUMMARY

What is this Policy about?

The Examination and Assessment Regulations are detailed academic rules that explain what a student must do to obtain the award for which they are registered. It is comprised of several links which will take you to the relevant section. As not all sections are updated each year, the document the link takes you to may have a different date to the front cover of the regulations. This just indicates the last date that particular section was amended. Each of the sections has further links to useful information contained within them.

Who is this Policy for?

This document will be of most interest to new and existing students, academic staff and external examiners. It will be of interest to the UK Quality Assurance Agency (QAA) and it may also be of interest to the wider public.

How does the University check this Policy is followed?

The Quality Management Division within Academic Registry is responsible for reviews and audits to ensure that the policy is followed. Additionally, there is an external examiner for every unit and every course in the University who ensures that this policy is followed.

Who should I contact if I have any queries about this Policy?

If you are external to the University and you have any questions about this Policy please contact the University's Quality Management Division (QMD) at QMD@port.ac.uk.
