Summary

What is this document about?

The research regulations are detailed academic rules that explain what a student must do to obtain their research degree and the support that they are entitled to. The regulations are comprised of several links which will take you to the relevant section. As not all sections are updated each year, the document that the link takes you to may have a different date to the front cover of the regulations. This just indicates the last date that the particular section you are in was amended. Each of the sections has further links to useful information contained within them.

Who is this for?

This document will be of most interest to new and existing research students, supervisors and research degree examiners.

It will be of interest to the UK Quality Assurance Agency (QAA) and it may also be of interest to the wider public.

How does the University check this is followed?

The University of Portsmouth has a committee structure in place to check that the policies in this document are followed. The relevant committees for research regulations are the University Research Degrees Committee, the Faculty Research Degrees Committee and the Graduate School Management Board.

Who can you contact if you have any queries about this document?

If you have questions about this document please contact Academic Standards, Quality and Partnerships, Department of Student and Academic Administration (DSAA) asqp@port.ac.uk

This document is pending revision subject to the outcome of the University Academic Regulations review scheduled for 2021/22.
