UNIVERSITY OF PORTSMOUTH ENGLISH LANGUAGE POLICY FOR THE UKVI STUDENT ROUTE:

1. Introduction

- 1.1. UKVI Student Route sponsors must ensure that students have met the UK Visas and Immigration (UKVI) language requirements for all Non-UK nationals requiring a UKVI Student Route Visa or Part-time UKVI Student Route Visa to study in the UK.
- 1.2. This policy stipulates English Language criteria, which will be accepted for UKVI Student Route applicants and students. UKVI Student Route applicants and students must meet the Home Office English language proficiency requirements, in all four components of language learning, (reading, writing, listening and speaking) for visa purposes only. In addition all applicants must meet the University's English Language entry criteria. The English Language requirements below need to be assessed in conjunction with the University of Portsmouth entry requirements database for international qualifications, which will outline country specific English Language requirements and waivers.
- 1.3. The University is required to outline on the Confirmation of Acceptance for Studies (CAS) how the applicant's or student's English language ability has been assessed and to confirm that they are at level B2 of the Common European Framework of Reference for Languages (CEFR).

2. Pre-sessional English Language

- 2.1. To issue a joint Confirmation for Acceptance of Studies (CAS) for a pre-sessional course plus the main course the following applies:
 - i) If an applicant's overall score is Common European Framework of Reference for languages (CEFR) B2 (not above) with a component below CEFR B2 (IELTS equivalent below 5.5) then a joint Confirmation for Acceptance for Studies (CAS), for a pre-sessional English Language course, can be considered as level B1;
 - ii) If an applicant has reached level CEFR B2 in English language ability, but need to improve further within the CEFR B2 level;
 - iii) If the pre-sessional course is for the student to progress from B1 to B2, a joint CAS can be issued (this does not include any other moves between level, for example, if a student needs to progress from B2 English to C1 a joint CAS would not apply);
 - iv) If the main course is unconditional and at Regulated Qualifications Framework (RQF level 6 or above);
 - v) For a pre-sessional joint CAS (RQF level 6 or above), the University can make its own English Language assessment in line with its admissions criteria and must outline on the CAS how the English Language ability has been assessed. A SELT is not required;
 - vi) The pre-sessional course is no longer than three months in duration;
 - vii) The pre-sessional course ends less than one month before the main course starts;
 - viii) In any other circumstance, the student will have to make two separate applications with two separate CAS, to come to the UK to study.

2.2 To issue a single CAS for a pre-sessional course only the following applies:

- i) A single CAS can only be issued for pre-sessional courses if the applicant has an outstanding condition on their academic offer but they meet the English Language entry requirements. To progress on to the main course, the applicant can apply for a visa extension in the UK, as long as there is no greater than a month between the pre-sessional course and the main course of study.
- ii) Pre-sessional courses below Regulated Qualifications Framework (RQF) level 6 require a minimum language entry at CEFR B1 in all four components of language learning (e.g. IELTS: 4.0 in all elements) and must be a Home Office recognised Secure English Language Test (SELT).

2.3 An applicant can be accepted on to a pre-sessional course with a Standard Visitor Visa for up to 6 months or a Short Term Study visa for English language purposes only for no more than 11 months (a student cannot study mixed courses under the 11 month route). To enable progression on to the main course the student will be required to apply for a UKVI Student Route Visa overseas.

2.4 The University will accept pre-sessional English Language qualifications from education providers within the UK if they are BALEAP or British Council Accredited. The pre-sessional qualifications will be assessed by the University Admissions Centre on a case by case basis and added to the list of approved providers, which is maintained by the admission teams. All English Language transcripts must detail the four components of language learning, map to the Common European Framework of Reference for Languages (CEFR), be within a two year validity at the point of the course start date and meet the required English language level for the course. Any additional pre-sessional qualifications must be mapped and approved by the School of Languages and Applied Linguistics Head of School, prior to an offer being made. All accepted pre-sessional qualifications will be reviewed on an annual basis by DSAA University Admissions Centre, Global Admissions and Head of School for School of Languages and Applied Linguistics.

3 Sub Degree level

3.1 For sub-degree courses (RQF Level 3-5) the Home Office require Common European Framework of Reference for languages (CEFR) B1 equivalent (IELTS 4.0) in all four components of language learning. This must be evidenced via a Home Office recognised Secure English Language Test (SELT) from an approved test provider, which are listed on the Home Office pages at [GOV.UK website](https://www.gov.uk).

3.2 All non-specified courses/awards below RQF 3-5 require minimum language entry at CEFR B1 in all components of language learning (e.g. IELTS 4.0) in all elements and must be approved by a [Home Office approved Secure English Language Test \(SELT\)](#).

3.3 Applicants who have passed the English language element and have an overall grade of 55% of a University of Portsmouth approved UK Foundation Level (RQF 3) course, will be exempt from requiring evidence of English Language to progress on to a course at degree level (RQF 6) or above at the University. The list of approved providers shall be maintained by the admissions teams.

3.4 International Foundation Courses not on the University's list of approved providers will not be accepted, unless supported by a SELT or where a partnership agreement exists outlining whether or not an English Language test is required as part of the entry criteria.

4 Degree level

4.1 For degree level courses at RQF 6 and above, the Home Office require Common European Framework of Reference for languages (CEFR) B2 equivalent (equivalent to IELTS 5.5) in all four components of language learning (reading, listening, writing and speaking). As a Higher Education UKVI Student Route Sponsor, for only degree level and above, the University is entitled to use its own methods of assessment to evidence English language proficiency. This will be in line with the University's entry requirements for English Language and country specific requirements, which will be based on the course of study. All academic and UKVI Student Route requirements must be met before a CAS is issued, unless an applicant meets the criteria for a joint CAS as outlined in 2.1. The University's own method of English Language assessment must be outlined on the CAS and confirming the applicant/student is at CEFR B2 of English Language proficiency, along with evidence of the English Language assessment stored on the student's University record system.

5 Postgraduate Research Degree level

5.1 PGR students must present evidence of an English language qualification of at least IELTS 6.5 or equivalent overall with a minimum of IELTS 6.0, or equivalent, in each language component. An overall score of IELTS 6.0 or equivalent will be accepted as long as the applicant undertakes a recognised pre-sessional English language programme prior to the main course. In exceptional cases, if an applicant is below the required score, by IELTS .5 of a component (or equivalent), where applicable, an assessment via face to face or recorded Skype interview or through written submission of, for example, a Research proposal is acceptable.

6 English Language Exemptions

- 6.1 Students who have successfully obtained a Bachelor's or Master's degree or a PhD in the UK are not required to provide evidence of English Language competence. Professional or vocational qualifications regardless of whether or not they are equivalent to a UK bachelor's degree, are not acceptable.
- 6.2 Applicants who have a GCSE, A' level, Scottish National Qualification at level 4 or 5 or Scottish Higher or Advanced Higher, in English (language or literature), that was awarded: (a) by an Ofqual (or SQA, Qualifications Wales or CCEA) regulated awarding body; and (b) following education in a UK school undertaken while they were aged under 18.

- 6.5 English language competence is exempted for students moving from UKVI Child Student Route into UKVI Student Route.
- 6.6 The University can apply its own HEI assessment to assess the equivalency of an overseas qualification, with reference to UK NARIC. The applicant is not required to produce an official document from UK NARIC to confirm evaluation.

- 6.7 The University's admissions teams will manage the acceptance of Medium of Instruction (MOI) in accordance with the UK Government's UK Visas and Immigration approach in managing associated risk with any overseas national entering the UK. MOI that are accepted must be a transcript outlining the applicant's course has wholly been delivered in English and the assessment wholly delivered in English, or on a headed letter from the awarding institution (or affiliated college) stating that the course and assessment was wholly delivered in English. A 5 year validity normally applies to MOIs from the date of the award. This validity does not apply to the UKVI recognised majority English speaking countries, as outlined in point 7.1.

7 Majority English Speaking Countries

If this exemption is not selected on the University course and management system, it will result in the applicant having a visa refusal unless they provide a NARIC Certificate of Equivalency to confirm this.

8 Partnership Agreements

- 8.2 All partnerships with the University will align with current UKVI Student Route Home Office regulations for visa purposes only. This outlines Common European Framework of Reference for Languages (CEFR) levels by grades and skill for each of the Cambridge IGCSE English Language qualifications. Applicants will be required to submit their final certificate of results not a copy of component grades.
- 9.5 The Home Office stipulates 'specific English Language tests' need to be within two years of the date of the applicant submitting their UKVI Student Route application. This is indicated within Home Office approved Secure English Language Tests (SELT)
<https://www.gov.uk/government/publications/guidance-on-applying-for-uk-visa-approved-english-language-tests>
- 9.6 The University applies a two year validity at the point of the course start date for all Home Office SELTs, non-SELTs (not listed on Home Office approved list) and pre-sessional English Language courses delivered in the UK.
- 9.7 It is not acceptable to issue a CAS based on a student's expected English Language results. A copy of an original certificate must be provided during the admissions stage.
- 9.8 A CAS will be issued solely on the discretion of the University as a UKVI Student Route sponsor, taking into consideration UK Visas and Immigration (UKVI) criteria.
- 9.9 Before accepting an English Language qualification or exemption, not specified in this policy, please contact Head of School for School of Languages and Applied Linguistics to undertake an English Language mapping assessment and approval.
- 9.10 In accordance with point 9.8, any additional English Language qualification approved by the Head for the School of Languages and Applied Linguistics must be referred to the Department of Student and Academic Administration (DSAA) Academic Standards, Quality and Partnerships (ASQP) for final approval, to ensure it aligns with UKVI Student Route English Language requirements.
